

Tech spec for Robberie

Instruments

- Acoustic guitar – can go into venue PA direct or via our 60W acoustic amp using its DI output which is balanced XLR
- Acoustic bass – can go into venue PA direct or via our bass amp
- Keyboard – ¼” output/s, mono is OK
- Glockenspiel – needs miking up in larger venues
- Melodica and Stylophone – we use the vocal mics to amplify these, so nothing extra required

Microphones

- Lead vocal
- 2x backing vocals
- Glockenspiel (in larger venues)
